Dear Robin:

I am in receipt of your letter regarding our 30 day post-special election report (4/26/01-6/4/01) and now understand the presentation problem you specified. However, we have been advised by our software manufacturer that the documents you require do not exist within their software.

The new owner of the software company has advised us that they have begun the programming revision necessary to produce the required forms but will not be able to complete the project within the fifteen (15) days suggested in your letter.

I am hopeful that you will accept this software problem as reasonable cause for not complying with your deadline. I assure you as soon as the problem is fixed I will amend our previously filed report.

Very truly yours,

BILL SHUSTER FOR CONGRESS

Frederick A. Giocca, Treasurer
